Athletic Director

July 26, 2016

Dear Parents/Guardians,

We firmly believe that Central Valley High School is an exceptional place for students from diverse backgrounds to grow educationally, get involved, and become College and Career-Ready. *Rigor, relationships, relevance* and *reflection* are the “Four R’s” that have served as the pillars of the CVHS vision since the school opened in 2005. They will continue to guide us in our service to our students for the next decade and beyond.

We pride ourselves on the **RIGOR** of our course offerings, preparing every student for college as we focus our instruction and inspire academic excellence. We strive to build **RELATIONSHIPS** between students and our staff through **RELEVANT** curriculum, course offerings, co- and extra-curricular opportunities, and the Advisory period. We continuously **REFLECT** on creating an environment where each and every student is given the attention necessary to achieve individual success. We are proud to have a staff that is dedicated to the success of every student.

I strongly believe that the success of our students is due, in part, to the strong partnerships that are developed with our parents and community. We encourage families to become involved in one of our many organizations. For information about these organizations, go to the Parent link on our website or call us at (209) 556-1900.

We look forward to a great 2016-2017 school year. Go Hawks!!!

Sincerely,

Dan Pangrazio
Principal
Central Valley High School

“Home of the Hawks”
